STORM SEWER CLOSED CIRCUIT TELEVISION INSPECTION AND ASSESSMENT

Please be advised that the Town of Fort Erie has retained Bob Robinson & Son Construction to conduct Storm Sewer Closed Circuit Television Inspection and Assessment. This project will comprise of flushing and inspection of 21,750m of storm sewer and 352 manholes in priority areas of Town.

WHEN: Mid-August to end of December 2019.

WHAT TO EXPECT (During Inspection):

Inspection vehicles and related equipment is a necessary part of the flushing and inspection of the storm sewers, so residents and businesses may experience a minimum degree of noise, dust and short-term inconvenience.

Traffic signage will be adequately posted and driveway accessibility should not be affected during inspection however, every effort will be made to give you notice in advance should this occur.

At times there may be some inconvenience to you during the inspection period and we respectfully request your patience and cooperation during this period. For more information, please visit www.forterie.ca or contact George Stojanovic, Manager of Roads and Fleet at 905-871-1600, ext. 2460
or email gstojanovic@forterie.ca.
