## Welcome to Fort Erie!

On behalf of Council and the residents of Fort Erie, I am excited to welcome you to our magnificent community. Fort Erie has been a gathering place for over 9,000 years, a location of strategic importance and the traditional territory of the Attiwonderonk, Haudenosaunee and Anishinabe peoples. The history of our nation has unfolded here, from the French traders to the British military, who built the fort for which our town is named, to repelling American and Fenian invaders in the 19th century.

Waves of immigrants and refugees have crossed the Niagara River to avoid the troubles of an old life to begin a new life in Canada. Fort Erie became home for many United Empire Loyalists; is the site of one of the most important stations on the Underground Railroad; and over the years has become home for Pennsylvania trekkers, Europeans, Asians, Africans and South Americans escaping persecution or economic hardship. All have added to the rich diversity of our community. They remain a constant presence through our landmarks, heritage sites, street names and tourism venues.

However, even more attractive is our wealth of natural beauty. Fort Erie boasts some of the most splendid beaches in North America. We are bounded by 46 kilometres of shoreline along Lake Erie and the Niagara River. We are blessed with great wooded areas, provincially significant wetlands, a remarkable variety of wildlife habitat and other natural heritage features. Our recreation trails are part of the Trans-Canada Trail and Niagara Circle Route. Whatever you are looking for, whatever your lifestyle craves, we have it for you in Fort Erie: site seeing, fishing at world-class locations, cycling, sailing, canoeing or kayaking, incomparable bird-watching, golfing, taking in a day at the Fort Erie Race Track, visiting historic sites, hiking, snow-showing or Nordic skiing or just relaxing at one of the many restaurants in town that cater to all tastes and styles of dining.

We have it all in Fort Erie - just waiting for you to explore! We can't wait to see you.

Yours very truly,

Wayne H. Redekop, Mayor

## **Bernard Beach**

**Bernard Avenue & Thunder Bay Road, Ridgeway**

Tucked away at the end of Bernard Avenue, this beach offers 66 feet of quiet beachfront, a perfect place for lounging in the sun, having a picnic, or just enjoying the gorgeous sandy beach. Free public parking is available onsite.

## **Black Creek**

**4301 Niagara River Parkway**

Only a short drive from the Peace Bridge, Fort Erie's Black Creek "feeds" into the Niagara River and is a popular location among kayakers and canoeists. The Creek offers tranquility, weeping willows, and a scenic view of the Niagara River. Complimentary parking is provided by the Niagara Parks Commission at several locations along the Parkway.

## **Crescent Beach**

**Crescent Road, South of Dominion Road, Fort Erie**

Located just off of the Friendship Trail at the end of Crescent Road, this beach is 66 feet of intimate beachfront, perfect for spending the day with family and soaking up the warm summer sun. Complimentary parking is available just steps away from the water's edge.

## **Waverly Beach Park**

**South point of Helena Street at Edgemere Road, Fort Erie**

Waverly Beach is located along the Friendship Trail and next to the site of the former Erie Beach Amusement Park, which was a popular attraction at the turn of the twentieth century for Canadians and Americans alike. With fine sand, paved walkways, informative boards citing historical significance, free public parking and washrooms, this beach is a favorite among locals and visitors.

## **Lake Erie Waterfront Access Points**

In addition to these waterfront parks, a variety of public Lake Erie waterfront access points are available. These 'windows to the Lake' vary in character from sandy beach to rocky and naturalized shoreline, and are located at the end of Prospect Point Road; Burleigh Road; Centralia Road; Windmill Point Road; Stonemill Road; Bertie Bay Road; Buffalo Road; Kraft Road; Rose Avenue; Pierce Avenue; and Beachview Avenue.
