

Notice of PUBLIC OPEN HOUSE

FORT ERIE PARKS and OPEN SPACE Master Plan

The Town of Fort Erie invites you to attend a Public Open House to provide input into the Fort Erie Parks and Open Space Master Plan on:

**Thursday February 15, 2018
6:00 – 8:00 p.m.**

**Leisureplex Banquet Hall
3 Municipal Centre Drive, Fort Erie**

The Town of Fort Erie is planning for the future of its parks, trails and open spaces. We invite you to take part in the discussion about the Town's parks and outdoor recreation infrastructure.

The Town manages 34 parks, over 35 kilometers of actively used recreational trail, and a variety of waterfront parks and access points. With a projected population growth of 32% over the next 20 years, the Parks and Open Space Master Plan will provide a strategy to assist with meeting the needs of current and future populations, and assist Council in making strategic investments to ensure a healthy community, improve the quality of life of residents, and encourage a sustainable environment.

We look forward to your input. If you are unable to attend the Public Open House, there are other ways to provide feedback. Visit the Town's website after February 15th to participate in an online community survey, send us an email or letter, or give us a call. Master Plan updates will be posted on the Town's website.

For more information contact Signe Hansen, Manager of Community Planning at 905 871-1600 ext. 2506 or shansen@forterie.ca.
