Town of Fort Erie Launches Residential Internet Survey

FORT ERIE (September 15, 2020) The Town of Fort Erie is conducting a **Residential Internet Survey** to determine the level of satisfaction Fort Erie Residents have with their current Internet Provider/Internet quality. This survey will help the Town of Fort Erie gain a better understanding of which areas in Fort Erie are currently under serviced with respect to internet service.

The Town of Fort Erie understands the importance of high-speed internet to its residents and local businesses. As part of the Town Council's strategic priority of 'Promoting Business, Economic Growth and Employment Opportunities', it is necessary to support the expansion of high-speed internet throughout the Town of Fort Erie.

To fill out the survey, please visit: <https://internetsurvey.forterie.ca>
