Fort Erie Transit Hosts Three Public Open Houses

On Oct. 2, Fort Erie Transit (FET) launched its newly enhanced transit services. In an effort to assist the community with transitioning through the new changes, FET will be hosting three Public Open Houses. The open houses will give participants an opportunity to learn how to plan a trip, navigate the expanded routes and review the new bus shelter plan. In addition, the community will have an opportunity to provide feedback to Town Staff regarding the newly enhanced services.
