## Leisureplex arenas reopening this week

FORT ERIE (August 17, 2020) On Monday, August 17, arenas at the Leisureplex will begin opening up for private bookings only. Guidelines and rules will be put in place to help prevent the spread of COVID-19.

Patrons and spectators using the arenas will be required to maintain a 2 metre physical distance from others; wear a facial covering in public spaces; and conduct a self-screen test prior to entering. There are also limitations to the number of people allowed in the facility at one time.

The arenas will be thoroughly sanitized prior to the reopening and enhanced cleaning procedures will be executed daily once opened to the public.

Thank you for your patience and cooperation as we strive to safely return on-ice activities to the Fort Erie arenas.
