

SENIORS ASSISTANCE FORT ERIE PROGRAM (S.A.F.E)

This program is offered to Fort Erie homeowners. Ideal for older adults in our community.

Our staff will arrive at your home, at a mutually agreed date and time, and conduct a home assessment ensuring that you have the correct number of alarms and in the correct locations, and that all alarms are working and within expiry. There will be no fines or penalty issued for lack of compliance

Do you have difficulty testing your smoke alarms and/or carbon monoxide alarms?

Do you have difficulty or are unable to climb a ladder safely to maintain your smoke alarms and/or carbon monoxide alarms?

Contact the Public Education Division directly for more information or to find out if you are eligible to participate in our program. This program is not offered to renters

Book a free in-home visit from Fort Erie Fire Department Public Educators
