

**SECTION 35B – ENVIRONMENTAL CONSERVATION (EC) OVERLAY ZONE**

**35B.1** Subject to the General Provisions of Section 6 and all other applicable requirements of this By-law, the provisions of this section shall apply to all Environmental Conservation (EC) Zones.

**35B.2 PERMITTED USES**

- a) Uses listed in the Section of this By-law which corresponds to the underlying Zone identified on Schedule A of this By-law, subject to the regulations outlined in Section 35B.3.
- b) Minor additions, enlargements and reconstruction of existing uses in compliance with the regulations of the Niagara Peninsula Conservation Authority.

**35B.3 REGULATIONS**

- a) Development subject to an Environmental Impact Study and/or approval of the relevant approval authority in accordance with the policies of the Town's Official Plan.
- b) Areas identified as developable through the completion of an Environmental Impact Study will be subject to the regulations of the underlying zoning designation and will be identified as such on Schedule A of the Zoning By-law following the approval of the development application by the Town.
- c) Areas identified as environmentally significant through the completion of an Environmental Impact Study will be subject to the regulations of the Environmental Protection EP Zone and will be identified as such on Schedule A of the Zoning By-law following the approval of the development application by the Town.
