

NOTICE OF PUBLIC MEETING

TO CONSIDER
THE GLENNY DRAIN 2017 SECTION 78 REPORT
Drainage Act, R.S.O. 1990, Chapter D.17

Pursuant to Section 78 of the *Drainage Act*, K. Smart Associates Limited filed a copy of the Glenny Drain 2017 Section 78 Report dated November 17, 2017 with the Clerk of the Town of Fort Erie on November 23rd, 2017.

The primary purpose of the Engineer's Report is to provide for repairs and improvements of the Glenny Drain with the secondary purpose being to define the limits of the drain relative to existing reports and to prepare new Schedules of Assessment for future maintenance.

Section 41 of the *Drainage Act* requires that notice be provided of the date of the council meeting at which the Engineer's Report will be considered. Costs have been assessed to all landowners within the Glenny Drain watershed area. Affected landowners are invited to attend the public meeting for information and/or to address any concerns in regards to the design only as assessments shall be dealt with at a later date. This notice of the public meeting has been mailed to all landowners within the watershed and provides the details on how to view the Engineer's Report below:

TAKE NOTICE THAT the Municipal Council of the Town of Fort Erie will hold the public meeting as follows and intends to approve the Engineer's Report:

Monday, May 13th, 2019 at 6:00 p.m.
in the Council Chamber at Town Hall
1 Municipal Centre Drive, Fort Erie.

In attempt to reduce the overall costs associated with this project, a copy of the Engineer's Report for the Glenny Drain 2017 can be accessed on the USB enclosed and is also available for viewing online at www.forterie.ca under Public Notices and Engineer's Reports portion of the Drainage and Municipal Drains page. This page can be found under the Residents heading. In addition, a hard copy is available for review in the Legislative Services Department at Town Hall and all three local libraries. Should you prefer to receive a hard copy, please contact Margarete Taddeo, Records Management Assistant at 905-871-1600 ext. 2214 and one will be mailed to you.

Enquiries regarding the specifics of the Report may be directed to:

Drainage Engineer, Neal W. Morris at 1-519-748-1199 or email nmorris@ksmart.ca or Dave Maiden, Drainage Superintendent for the Town of Fort Erie at 905-871-1600, ext. 2405 or email dmaiden@forterie.ca.

Carol Schofield, Manager, Legislative Services/Clerk,
Town of Fort Erie
1 Municipal Centre Drive,
