- b) an attempt to exercise physical force against a worker, in a workplace, that could cause physical injury to the worker, and
- c) a statement or behaviour that a worker could reasonably interpret as a threat to exercise physical force against the worker, in a workplace, that could cause physical injury to the worker, and
- d) domestic violence as defined in this policy, and
- e) gender-based violence, including violence against transgender persons, and
- f) acts that constitute offenses under Canada’s *Criminal Code*

## **2.0 Preface**

It is a legislated requirement that The Corporation develop, adopt and maintain a health and safety policy.

The Council sets the health and safety policy and establishes expectations for this policy’s implementation and maintenance by the administration.

## **3.0 Purpose**

This policy is a formal, written statement of The Corporation’s on-going commitment to protect workers from occupational illness and injury, workplace violence and workplace harassment and continually improve occupational health and safety performance.

This policy describes the guiding principles upon which The Corporation’s Occupational Health and Safety Management System (OHSMS) is built and puts corporate health and safety into action.

This policy delegates roles and responsibilities for the development, implementation and maintenance of the OHSMS.

|---|-------------------------|
| The Corporation of the Town of Fort Erie - Health and Safety Policy |                         |
| Effective: June 2006  | Revised: September 2020 |

An effective health and safety management system and the communication of the system to all workers are sound business practices and an important indicator of leadership and managerial performance.

#### **4.0 Policy Statement**

It is the policy of The Corporation:

- 4.1 To maintain a fair and equitable environment free from harassment;
- 4.2 To continually strive for the elimination of foreseeable hazards and control accidental loss;
- 4.3 To provide and maintain a legal, respectful, healthy and safe workplace for all employees and visitors;
- 4.4 To protect workers and visitors from workplace hazards including workplace violence and workplace harassment from all sources;
- 4.5 To adopt and comply with applicable legal obligations, industry norms and standards for workplace health and safety and ensure continual OHSMS improvement;
- 4.6 To provide workers with job-specific, appropriate and regular health and safety information, instruction and skills upgrades;
- 4.7 To investigate and address potential workplace violence or harassment, even in the absence of a formal complaint, in a fair and timely manner without reprisal for good faith complaints

#### **5.0 Application and Scope**

- 5.1 This policy applies to every Corporation employee, agent, contractor, volunteers, members of Council and workplace and will be followed in all work activities.
- 5.2 This policy applies to employment-related incidents that occur beyond the normal workplace on social media or outside working hours including working from home.
- 5.3 This policy will be posted in conspicuous places, communicated to all employees and reviewed annually.
- 5.4 It is a requirement of this policy that all corporate officers, senior managers, supervisors, the bargaining agent and workers embrace the objective of reducing the risk of occupational illness and injury.

| Effective: June 2006  | Revised: September 2020 |

## **6.0 Policy Implementation**

This policy will be reflected in and implemented through the establishment and maintenance of a comprehensive OHSMS:

- 6.1 The OHSMS is the administrative program for setting, communicating and enforcing health and safety standards, guidelines and practices that protect and promote the health and safety of workers and visitors.
- 6.2 The OHSMS will address the sophistication, complexity and risks associated with the varied industrial and construction work performed by Corporation employees and contractors.

6.3 The key elements of the OHSMS include:

- a) Organizational commitment, leadership and participation
- b) Management commitment and leadership
- c) Worker participation
- d) Planning
- e) Review
- f) Hazard identification and assessment
- g) Setting, communicating and enforcing health and safety standards, guidelines and practices
- h) Health and safety objectives, targets and measures
- i) Pandemic standards and protocols including recovery programs

## **6.4 Pandemic (COVID-19) Requirements**

- a) COVID-19 Safe Work Standard
- b) Exposure
- c) Self-Monitoring, Self- Isolation and isolation
- d) Visitor Screening
- e) Enhanced Sanitation Procedures
- f) Document and Cash Handling Procedures
- g) Entry to Non-Town Buildings/Properties
- h) Personal Protective Equipment
- i) Contact Tracing Procedures
- j) Employee Assistance (EAP) and Mental Health
- k) Signage

|---|-------------------------|
| The Corporation of the Town of Fort Erie - Health and Safety Policy |                         |
| Effective: June 2006  | Revised: September 2020 |

**NOTE:**

*The Safe Work Standard and the associated guidelines above may change depending on the status and determinations projected by Region of Niagara Public Health, provincial and federal government guidelines including declared state of emergency.*

6.5 The OHSMS will remain consistent with The Corporation’s vision and values.

**7.0 Accountabilities**

7.1 The Corporation of the Town of Fort Erie is ultimately responsible for workplace health and safety. Roles and Responsibilities are described in the prevailing Safe Work Standards.

7.2 The Council will ensure:

- a) this policy remains current, and;
- b) health and safety activities are adequately funded, and;
- c) the administration understands the Council’s expectations for maintaining adequate health and safety policies and procedures, and;
- d) the administration develops, implements and maintains a health and safety program consistent with this policy and legal requirements

7.3 The Chief Administrative Officer will:

- a) direct the OHSMS program, and;
- b) ensure all employees are aware of their responsibilities under this policy and safe work standards, and;
- c) appoint a designate responsible for developing, implementing and maintaining the OHSMS and acting as a resource for management, and;
- d) ensure that all appropriate health and safety protection resources are in place, implemented and maintained in a manner consistent with Council policy and legal requirements, and;
- e) report annually to Council on OHSMS performance, and;
- f) be evaluated, in part, on health and safety program outcomes

7.4 Every manager will:

- a) ensure the health and safety standards and practices are communicated and carried out in the workplace, and;
- b) actively participate in the maintenance of a safe and healthy work environment, and;

|   |                         |
|---|-------------------------|
| The Corporation of the Town of Fort Erie - Health and Safety Policy |                         |
| Effective: June 2006  | Revised: September 2020 |

- c) assign and monitor applicable responsibilities for health and safety, and;
- d) appoint a competent person to be a supervisor, and;
- e) be evaluated, in part, on health and safety performance in the work unit
- f) investigate when facts come to light that may indicate the presence of harassment or discrimination in the workplace, with or without a formal complaint

7.5 Every supervisor will:

- a) ensure safe and healthy working conditions are maintained in the workplace, and;
- b) ensure machinery and equipment are safe, and;
- c) advise a worker of the existence of any potential or actual danger to the health or safety of the worker of which the supervisor is aware, and;
- d) provide a worker with written instructions as to the measures and procedures to be taken for protection of the worker, and;
- e) ensure workers follow established safe work practices and procedures and receive regular health and safety instruction and information, and;
- f) investigate when facts come to light that may indicate the presence of harassment or discrimination in the workplace, with or without a formal complaint
- g) take every precaution reasonable in the circumstances for the protection of a worker

7.6 The bargaining agent will:

- a) represent workers in health and safety matters and disputes; and
- b) select worker health and safety representatives; and
- c) join the employer in promoting the well-being and security of employees in the bargaining unit; and
- d) dutifully exercise its rights and duties under health and safety legislation/regulations

7.7 Every worker and volunteer will:

- a) understand and comply with legislated standards, corporate procedures and instructions for working safely, and;
- b) use or wear the equipment, protective devices or clothing that The Corporation requires the employee to wear or use, and;

|   |                         |
